V. W. S. B.

Submitted with ref. to the H.& L.G.D. O.N. ~~xxxxxx~~ at p.15.

2. The S.E. has now fully explained the position with regard to the plans and estimates for tank works in Dharwar Dist. The figures have been verified and found to be correct.

3. Originally 29 works at an approximate cost of Rs.1,70,000 were approved by the H.& L.G.D. now 37 works at an approximate cost of Rs.237,878 are required to be approved by the H.& L.G. D.

4. If appd. these papers may be returned to the H.& L.G.D. for issue of orders very urgently as time left for the work of desilting tnaks is very short.

5. This ~~xxx~~ also disposes of H.& L.G.D. U.O.R. No.S-92(16)/4425, dated 29-3-48 which may also be returned to them.

Thrd' D.E.(V.W.S.).

Id/-
22-4-48.

6. From S.E. S.C's. para 2(d) on page 21 ante, it is seen that the revised cost of the 29 tank works administratively approved for Rs.1,70,000/- in G. R. (H.& L.G.D.) No.892 (16) dated the 18-7-47, amounts to Rs.1,76,764/-, the excess being Rs.6,764/-. As the excess is less than 5% a revised administration approval would not be necy. The S.E. can sanction detailed individual estimates for the above 29 tank works administratively appd. by Govt.

Re; S.E's. para 3, out of 8 new works, the S.E. has already appd. of two works costing Rs.5095/-. The other six works can also be dealt with by him individually, in view of the enhanced powers granted to him. Govt. approval is not necy.

8. If approved, the H.& L.G.D. may be asked to issue the necy. orders to the S.E.S.C. as in paras. 6 and 7.

IMMEDIATE. EXPRESS LETTER.

To

The Superintending Engineer,
Southern Circle.

Subject: Village Water Supply.

District Dharwar.
Desilting of tanks.

No.S.92(16)/33000-M, Bombay Castle, 18th May 1948.

Reference correspondence ending with your unofficial memorandum, No.G-116/A, dated the 17th April 1948, to the Public Works Department.

2. The revised cost of the 29 tank works administratively approved for Rs.1,70,000/- under Government Resolution, Health and Local Government Department, No.S.92(16), dated the 18th July 1947, amounts to Rs.1,76,764/-, the excess being Rs.6,764/-. As the excess is less than 5%, revised administrative approval of Government is not necessary. You can sanction the detailed individual estimates for the 29 tank works administratively approved by Government in view of the powers delegated to you under Government Resolution, Health and Local Government Department, No.S.92, dated the 12th January 1948. Administrative approval to the works of special repairs to the tanks at Kanagihal and Rottigwad is being accorded by Government as the cost of these works exceeds Rs.20,000/- individually.

3. Out of the 8 new works, you have already approved two works costing Rs.5,095/-. The remaining six works can also be dealt with by you individually in exercise of the powers delegated to you under Government Resolution, Health and Local Government Department, No.S.92, dated the 12th January 1948.

4. As desilting works have got to be carried out before the monsoon sets in, administrative approval to the works should be accorded immediately. The District Local Board, Dharwar, is being asked to carry out the works in anticipation of sanction

5. The plans and estimates for the works are enclosed.

sd/- B.J.Joshi,

Under Secretary to the Government of Bombay
Health and Local Government Department.

: TECHNICAL NOTE :

(i) It is reported that sweet water is tapped at a dept of 32' which seems to be a mistake in view of the fact that a 100' deep well is proposed. Please verify.

(ii) The estimate provides for fixing six water drawing arrangements which should be four according to plan attached with the estimate. The estimate is corrected in this office. Please verify.

(iii) The data sheet showing the existing water supply sources should be attached to the project, in the prescribed form.

(iv) Item No.25 i.e. providing for steps should be deleted and murum ramp provided.

(v) Detailed site plan showing the exact location of the well with reference to some permanent objects situated nearby should be attached to the project.

Construction of well at Jigeri taluka Ron---

No.V.W.S.
Dharwar, 4/5/1948.

Letter.

To,

The Secretary to Government,

Health and Local Government Department, Bombay.

The villagers of Jigeri taluka Ron have requested that a new well may be sanctioned for their village. The - Mamlatdar after enquiry reports that the water of the existing well at this village will not be adequate to meet the needs of the villagers. He has further reported that about 950 refugees have come and settled at this village and they are not to go back till the disturbances in Hyderabad state are over. The population of this village before the refugees came was 177 according to the 1941 census. I therefore request you to move Government to sanction construction of a well for this village as a special case

Public Works Department, BOMBAY.

Subject : Technical sanction for V.W.S.Scheme in Dharwar District.

Sir,

With reference to your No.8122/36/V.W.S. dated 24th. June 1948, I have the honour to inform you that an estimate for Rs.5233 for constructing a well at Bullapur was administratively approved by the Chief Engineer under No.610/46-M. dated 14-10-1947. But the estimate had to be revised as the underground strata differed and hence the revised estimate for Rs.3667. Since the amount of the revised estimate was less than that of the original estimate, only fresh technical sanction was accorded as per G.R.G.D.No.S. 92 of 21-5-1947 under this office No.V.W.S.S.229 of 5th. June 1948.

I have the honour to be,
Sir,
Your most obedient servant,

District Engineer, D.L.B. Dharwar.

V.W.S.B

Submitted with reference to D.W.S. letter.

2 cards.

2. The D.E. has quoted the authority under which the plans & estimates were administratively approved by the late C.E. on 4th Oct 1948. This has been verified & found to be correct.

3. As the cost of the estimate sanctioned technically is less than the cost of estimate approved administratively the D.E's action is in order.

4. The papers may be approved & recorded.

Ask SE SC about the estimate
Sent Khan

From: A.V.Kundarigi Esq.,
D.L.B. Member & Social Worker,
P.O. GAJENDRAGAD, Dist.Dharwar.

To

The Minister for Local Self-Government,
Secretriat, Bombay.

Sub: Construction of new wells in eastern villages of Taluka RON, Dist. Dharwar.

Sir,

I have the nonour to bring to your kind notice the following matter and request you for early action.

According to Office No. V.W.S. Dated 3-11-1947 of the collector of Dharwar, 27 villages in Ron Taluka of Dharwar Dist. were sanctioned for construction of new wells under the village water supply scheme. Out of the said 27 villages 14 villages lie in the eastern division of Ron Taluka and estimates of wells of only 5 villages in eastern division are prepared by the D.L.B. and sent to the Superintending Engineer, Southern Circle, Belgaum in May 1948 for approval. The S.E.,S.C., Belgaum has not yet returned, the estimates to the D.L.B. for further action. Now about the remaining 9 villages of the eastern division viz. Dindur, Nagendragad, Hirekop, Hagedal, Virapur, Lakkalakatti, Hallur, Kalligamur and gigeri, no estimates of the new wells are prepared as yet by the D.L.B. Office, Dharwar.

It is common knowledge that funds allotted for any scheme will not be granted after the prescribed period is over. As there is this limition of time, most of the funds remain unutilised. I have approached and corresponded with the collector of Dharwar and the D.L.B.President, Dharwar for more than 8-10 times in this connection. They are replying to my correspondence promptly. But I am sorry to say that the work under hand has not progressed an inch even. I can't imagine why there is such a delay either by the S.E.,S.C., or the D.L.B. Office, Dharwar. Under such circumstances, it goes very very difficult for the ~~benefitxxxxthexpoorxxillagers~~ social workers like myself and others to do any thing for the benefit of the poor villagers.

The said 9 villages being just near the border line of the Hyderabad state, refugees from the state rush into them in great numbers and cause the already scanty water supply in the villages still more difficult. As a social worker I think it my duty to bring to the notice of the popular Government the utter negligence and slow process of the Government officials and hence I have to approach you and so submitted the facts to you. I have found there is no promptness in Government machinery.

I earnestly request you to arrange for the work requested above with no further delay. I sincerely hope that you will give prompt attention to the matter and will intimate me about the progress of the work. You will kindly acknowledge and thanking you,

Yours faithfully,

GAJENDRAGAD

V.W.S.B.

Resubmitted with ref. to the Secy. (I)'s note at p. 1.

2. Mr. A.V.Kundarigi of Gajendragad, Taluka Ron, Dist. Dharwar complains that the S.E.,S.C.,to whom estimates for five villages of Ron taluka were sent by the D.L.B. in May 1948, has not yet accorded adm. approval to the estimates.

3. From the register of estimates maintained in the deptt. it is found that the estimates for the following ~~were~~ well works of Ron taluka have been approved by the S.E.,S.C.

Name of work constructing a well at.	Amount Rs.	Date of approval. Rs.
(1) Belwanki	8,294	28-5-48
(2) Jiglur	6,302	31-7-48
(3) Mallapur.	1,806	-do-
(4)Karamdi	1,839	-do-
(5)Arahunashi	5,217	-do-
(6)Kadagnur	2,863	-do-
(7)Matarangi	4,427	-do-

It appears that the S.E. has since disposed of all the pending estimates referred to by Mr.Kundarigi.

4. If approved Mr.Kundarigi may be informed that the S.E.,S.C. has accorded approval to estimates for seven wells works in Ron taluka since May 1948. If he thinks that any more estimates are still pending with the S.E., S.C. for adm. approval, particulars of these estimates together with names of villages may be intimated so that necessary enquiry may be made. Necy. draft will be put up on receipt of orders.

5. As regards Mr.Kundarigi's complaint that the estimates for the remaining villages in Ron taluka have not been prepared by the D.L.B. these papers will be refe-

referred u.o. to the H.& L.G.D. for necessary action after issue of letter referred to in para.4 above.
